THE PROPOSED CAPITAL REORGANISATION

Dear Sir/Madam

1. INTRODUCTION

On 16 June 2015, the Company announced the completion of the consolidation of every ten (10) Shares with a par value of HK\$0.25 each in the authorised share capital and issued share capital of the Company into one (1) consolidated share with a par value of HK\$2.50 (the “**2015 Share Consolidation**”). Following the completion of the 2015 Share Consolidation, the par value of each Share is HK\$2.50.

Pursuant to Section 46(2)(b) of the Bermuda Act in respect of share capital reduction, no company shall reduce the amount of its share capital if, on the date the reduction is to be effected, there are reasonable grounds for believing that the company is, or after the reduction would be, unable to pay its liabilities as they become due. Bye-law 6 of the Bye-laws provides that the Company may from time to time by special resolution, subject to any confirmation or consent required by law, reduce its authorised or issued share capital or any share premium account or other undistributable reserve in any manner permitted by law.

The Directors are now convening the SGM to seek Shareholders’ approval for the Proposed Capital Reorganisation to, *inter alia*, reduce the par value of each Share to HK\$0.10.

The purpose of this Circular is to provide Shareholders with relevant information pertaining to the aforesaid proposal to be tabled at the SGM and to seek Shareholders’ approval for the resolution relating to the same. The notice of the SGM is set out on pages N-1 to N-2 of this Circular.

2. RATIONALE OF THE PROPOSED CAPITAL REORGANISATION

The Shares have been trading between approximately S\$0.025 (equivalent to HK\$0.137) and approximately S\$0.055 (equivalent to HK\$0.302) with a volume weighted average price of approximately S\$0.034 (equivalent to HK\$0.184), which is below the existing par value per Share of HK\$2.50, during the three (3) months prior to the Latest Practicable Date.

Under the laws of Bermuda, which (unlike certain other jurisdictions such as Singapore) have yet to abolish the concept of par value, shares of a Bermuda company may not be issued for an amount less than the par value of the shares. The Proposed Capital Reorganisation will provide the Company with greater flexibility to issue new Shares in the future should fund raising

LETTER TO SHAREHOLDERS

opportunities or requirements arise and facilitate corporate actions which may require the issuance of new Shares. The Proposed Capital Reorganisation will also increase the distributable reserves of the Company thereby giving the Company greater flexibility in relation to its dividend policy and distributions.

Further, based on the audited consolidated financial statements of the Group for the latest financial year ended 31 December 2015, the paid-up share capital of the Company which is lost or unrepresented by available assets (“**Accumulated Losses**”) of the Company as at 31 December 2015 amounted to RMB\$395,464,000 (equivalent to HK\$471,998,568 based on a foreign currency exchange rate of HK\$1:RMB\$0.83785 as at 31 December 2015). The cancellation of capital no longer represented by assets would result in the par value of the Shares that more closely reflects the value of the Company’s underlying assets and consequently the capital employed by the Company’s business.

The amount of credit arising from the Capital Reduction and the Share Premium Reduction (as defined below) shall be transferred to the contributed surplus account of the Company and will be utilised to set off against the Accumulated Losses in full. The Directors of the Company shall also be authorised to apply any credit balance in the contributed surplus account of the Company in accordance with the Bye-laws and all applicable laws. Bye-law 136 of the Bye-laws provides amongst others that the Company may make a distribution out of any contributed surplus (as ascertained in accordance with the Bermuda Act). As such, subject to the Bye-laws and all applicable laws, the Proposed Capital Reorganisation will increase the credit balance in the contributed surplus of the Company and provide the Company with greater flexibility in relation to future distribution, if any, out of contributed surplus (whether or not the Company will make a distribution out of contributed surplus and the timing and amount of distribution to be paid will depend on the Company’s earnings, financial position including cash flow position and future capital requirements, future plans and other relevant factors). **As at the date of this Circular, Shareholders should note that there are currently no plans to make any distribution out of the increased contributed surplus arising from the Proposed Capital Reorganisation.**

The Directors are therefore of the view that the Proposed Capital Reorganisation will mitigate the limitations generally associated with the concept of par value and provide the Company with flexibility on its future capital structure to enable the Company to take advantage of opportunities as and when they arise.

3. DETAILS OF THE PROPOSED CAPITAL REORGANISATION

Proposed Capital Reorganisation

- 3.1 As at the Latest Practicable Date, the authorised share capital of the Company is HK\$500,000,000 divided into 200,000,000 shares of a par value of HK\$2.50 each, of which 110,080,868 Shares of a par value of HK\$2.50 each have been issued and fully paid or credited as fully paid.
- 3.2 The Proposed Capital Reorganisation will involve the following:-
- (a) the reduction of the issued and paid-up share capital of the Company by cancelling the paid-up share capital of the Company to the extent of HK\$2.40 on each of the issued Shares such that the par value of each of the issued Shares be reduced from HK\$2.50 to HK\$0.10 (the “**Capital Reduction**”);
 - (b) subject to and forthwith upon the Capital Reduction taking effect, all of the authorised but unissued Shares of HK\$2.50 each in the Company (which shall include, without limitation, the authorised but unissued share capital resulting from the Capital Reduction) be cancelled and the authorised share capital of the Company of HK\$500,000,000 be diminished by such amount representing the amount of Shares so cancelled (the “**Authorised Capital Diminution**”);

LETTER TO SHAREHOLDERS

- (c) forthwith upon the Authorised Capital Diminution, the authorised share capital of the Company be increased from HK\$20,000,000 divided into 200,000,000 Shares of par value of HK\$0.10 each to HK\$500,000,000 divided into 5,000,000,000 Shares of par value HK\$0.10 each by the creation of such number of Shares of par value of HK\$0.10 each (representing the difference between 5,000,000,000 Shares and the number of Shares of HK\$0.10 in issue after the Capital Reduction) (the “**Authorised Capital Increase**”), as it is not intended for the par value reduction to lead to a reduction in the authorised share capital, which is currently HK\$500,000,000;
- (d) the share premium account of the Company be reduced by cancelling the entire sum of HK\$475,721,000 standing to the credit of the share premium account as at 31 December 2015 (the “**Share Premium Reduction**”);
- (e) subject to and forthwith upon the Capital Reduction and the Share Premium Reduction taking effect, the amount of credit arising from the Capital Reduction in the sum of HK\$264,194,083 and the amount of credit arising from the Share Premium Reduction in the sum of HK\$475,721,000 be credited to the contributed surplus account of the Company (the “**Crediting of Contributed Surplus**”), and the sum of HK\$739,915,083 in the contributed surplus account of the Company be utilised to set off against the Accumulated Losses of the Company in full, and
- (f) the Directors shall be authorised to apply any credit balance in the contributed surplus account of the Company in accordance with the Bye-laws and all applicable laws.

Effect of the Proposed Capital Reorganisation

- 3.3 The Proposed Capital Reorganisation involves primarily the proposed reduction in par value of each Share in accordance with Bermuda laws.

Upon the Proposed Capital Reorganisation taking effect on the Effective Date:-

- (a) the par value of each issued and unissued Share will be reduced from HK\$2.50 to HK\$0.10;
- (b) the issued share capital will be reduced from HK\$275,202,170 to HK\$11,008,087 (divided into 110,080,868 Shares of HK\$0.10 each). The number of issued Shares will remain unchanged at 110,080,868 Shares;
- (c) the share premium account of the Company will be reduced from HK\$475,721,000 to zero; and
- (d) the authorised share capital will remain unchanged at HK\$500,000,000, but divided into 5,000,000,000 Shares of par value HK\$0.10 each, instead of 200,000,000 Shares of par value HK\$2.50 each.

Upon the Proposed Capital Reorganisation becoming effective, there is no change in the number of issued and paid-up Shares held by, or the percentage level of shareholding of each Shareholder as a result of the Proposed Capital Reorganisation. The Shares of par value HK\$0.10 each will rank *pari passu* in all respects with each other. Other than the expenses incurred in relation to the Proposed Capital Reorganisation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company.

The Proposed Capital Reorganisation will not involve the diminution of any liability in respect of the unpaid capital or the payment to any Shareholders of cash or any fully paid-up share capital of the Company. The amount of credit arising from the Proposed Capital Reduction and the Share Premium Reduction will be transferred to the contributed surplus account of the Company and utilised to set off against the Accumulated Losses in full.

Please refer to paragraph 4 below for more information regarding the financial effects of the Proposed Capital Reorganisation on the Company.

LETTER TO SHAREHOLDERS

Conditions Precedent for the Proposed Capital Reorganisation

- 3.4 An application will be made for the approval of the SGX-ST for the Proposed Capital Reorganisation. The Company will make the appropriate announcement on the in-principle approval from SGX-ST as and when necessary. The approval-in-principle granted by the SGX-ST for the Proposed Capital Reorganisation is not an indication of the merits of the Proposed Capital Reorganisation, the Company, and/or its subsidiaries.
- 3.5 The implementation of the Proposed Capital Reorganisation is subject to, *inter alia*, the following:-
- (a) the approval of the Shareholders for the Proposed Capital Reorganisation by way of a special resolution at the SGM, that is to say, the Proposed Capital Reorganisation has to be approved by a majority of not less than three-fourths (3/4) of the votes cast by the Shareholders, being entitled so to do, present and voting at the SGM (either voting in person or by duly authorised corporate representative or by proxy) of which not less than fifteen (15) market days' notice shall have been given;
 - (b) compliance with relevant legal procedures and requirements under Bermuda laws and Singapore laws (if any) to effect the Proposed Capital Reorganisation, including the publication of a notice in an appointed newspaper in Bermuda at a date not more than thirty (30) days and not less than fifteen (15) days before the Effective Date as required under Section 46 of the Bermuda Act; and

Shareholders who hold physical share certificates for Shares of par value HK\$2.50 each in their own names (the "**Old Share Certificates**") and who wish to deposit the same with CDP and have their Shares of par value HK\$0.10 each credited to their Securities Accounts must deposit their Old Share Certificates, together with the duly executed instruments of transfer in favour of CDP, no later than twelve (12) Market Days prior to the Effective Date.
